<http://froilandres.blogspot.com/2009/05/mis-programas-para-las-ti-68k.html>

Instructions

- Download and Extract Virtual TI v2.5 beta 5 to folder *vti* on your USB flash drive, iPod, portable hard drive, etc.

Virtual TI v2.5 beta 5 by Rusty Wagner

<http://www.ticalc.org/pub/win/vti.zip>

<http://www.ticalc.org/archives/files/fileinfo/84/8442.html>

- Download the TI-89 and TI-92 Plus OS from: <http://education.ti.com>

TI-89 Operating System v2.09 (1208KB)

<http://education.ti.com/downloads/files/89/os.89u>

<http://education.ti.com/educationportal/downloadcenter/SoftwareDetail.do?website=US&tabId=1&apId=156>

TI-92 Plus Operating System v2.09 (1207KB)

http://education.ti.com/downloads/files/92_v200/os.9xu

<http://education.ti.com/educationportal/downloadcenter/SoftwareDetail.do?website=US&tabId=1&apId=155>

- Put the OSs in the folder (...\\vti)
- Rename the OS files (e.g. TI89_OS.89u and TI92Plus_OS.9xu)
- Now you just need the following files for your Virtual TIs:

Ti89.skn

TI89_OS.89u

TI92.skn

TI92Plus_OS.9xu

Vti.exe

- Run Vti.exe (F12 for setting calculator model)
- Now you can carry the TI-89 and/or TI-92 Plus in your portable device!

Instrucciones

- Descargue y Extraiga Virtual TI v2.5 beta 5 en la carpeta *vti* en su USB flash drive, iPod, disco duro portable, etc.

Virtual TI v2.5 beta 5 by Rusty Wagner

<http://www.ticalc.org/pub/win/vti.zip>

<http://www.ticalc.org/archives/files/fileinfo/84/8442.html>

- Descargue los OS de la TI-89 y la TI-92 Plus de: <http://education.ti.com>

TI-89 Operating System v2.09 (1208KB)

<http://education.ti.com/downloads/files/89/os.89u>

<http://education.ti.com/educationportal/downloadcenter/SoftwareDetail.do?website=US&tabId=1&apId=156>

TI-92 Plus Operating System v2.09 (1207KB)

http://education.ti.com/downloads/files/92_v200/os.9xu

<http://education.ti.com/educationportal/downloadcenter/SoftwareDetail.do?website=US&tabId=1&apId=155>

- Coloque los OS en la carpeta (...\\vti)
- Renombre los archivos de los OS (e.g. TI89_OS.89u and TI92Plus_OS.9xu)
- Ahora solo necesita los siguientes archivos para sus TI virtuales:

Ti89.skn
TI89_OS.89u
TI92.skn
TI92Plus_OS.9xu
Vti.exe
- Ejecute Vti.exe (F12 para escoger el modelo de calculadora)
- Ahora Ud. Puede llevar la TI-89 y la TI-92 Plus en su dispositivo portable!
